

Recycling

The Town of Exeter established a contract with Northside Carting for curbside collection of recyclables. Exeter's blue recycling containers must be used for Northside Carting to pick up recyclables. Any overflow must be placed in paper bags, cardboard box, or a container clearly marked recycling in order to be picked up. Recycle bins are available at the Department of Public Works. Only cash or check is accepted (pay to: Town of Exeter).

- 18 gallon bins are **\$12.00**
- 65 gallon totes are **\$45.00**

Single Stream Recycling: All items can be placed in your recycling container together. No need to separate!

- Paper and Paperboard
- Cardboard
- Milk/Juice cartons
- Plastic Bottles and Food Containers (#1 through #7)
- Glass food and beverage bottles and jars
- Aluminum bottles, cans, pie plates, trays and foil
- Metal cans - tin/steel/aluminum

Items that are **NOT** recyclable in our program (even if it has a recycle symbol):

- Plastic bags - use paper bags instead!
- Unmarked plastics (toys, shelves, containers, chairs, etc)
- Styrofoam (even if it has a recycle symbol - it is not in our program)
- Windows, light bulbs, dishes, Pyrex, ceramics
- Foam packaging
- Aerosol cans
- Unclean food containers (better to throw away than to create a pest problem)

For additional information contact Northside Carting at 978-686-8604.
